# TOTAL DENTAL CARE TO THE HIGHEST WORLD STANDARDS

## 中嶋 歯科 医院

Nakashima Dental Office

From cosmetic dentistry to periodic cleaning, Nakashima Dental Office offers the highest standards in dental procedures with a range of services to meet all your dental needs.

All our treatments use internationally accepted methods and materials, so you can rely on us for your safety. Our services all make use of laser-assisted treatments and comprise:

- ❖ General dentistry
- ❖ Microscopic dentistry
- ❖ Treatment of bad breath
- ❖ Gum treatment, including surgical gum operation, bone graft, gum graft
- ❖ Endodontics, including root canal using bio ceramic sealer and laser
- ❖ Cosmetic dentistry using ceramics and zirconium restorations
- ❖ Biocompatible cosmetic fillings made of composite resin filling

With more than 30 years of experience in Japan, Dr. Kazuya Nakashima is a member of a number of professional dental organizations and stays up to date with the latest in dental technologies.
